

Pridite v deželo, ker je sta voda in burja v kamen izklesala neverjetne oblike, kjer na rdeči zemlji uspeva žlahtno vino in se na prepišnih podstrelih sušijo gastronomske dobrote. Od tod boste odnesli enkratne spomine, vonj po Jadranskem morju, šepet burje in slike kraške gmajne z lesketajočo modrino morja v daljavi. Izkusite udobje naših kraških vil, kjer se toplina lesa in trdnost kamna prepletata s prijaznostjo in gostoljubnostjo ljudi.
